

ROSE RED

RIMBAUER ESTATE AUCTION

Built by Omicron Oil baron John Rimbauer in downtown Seattle, Rose Red reigned for almost a century as the Queen of American millionaire homes. A startling history of the occult and paranormal including the loss of dozens of lives makes Rose Red a ghostly gem, catching the eye of famed author Stephen King. For one day only, the Rimbauer estate contents will be auctioned to the public.

OWN A PIECE OF HAUNTED AMERICAN HISTORY!
